

Book Club in a Bag

Do you enjoy discussing books with your friends? If so, why not start a Book Club? We can help make it easy with our Book Club in a Bag titles.

The bags have everything you need to host your Book Club discussion like those that take place at the library. Each bag contains multiple copies of the book. In addition, there are generally additionally copies available in regular circulation along with e-Book or e-Audio formats. Check our catalog for availability. If available, book discussion questions are included in each bag or are located in the books.

Checkout Rules:

- Bags may be checked out for 6 weeks. They are not renewable.
- The bag will be checked out to the person picking up the bag. That patron will be responsible for the bag and its contents.
- Only one Book Club bag may be checked out at one time by a patron.
- The bag must be returned with all of its contents at the same time.
- Bags may be returned to either branch. Please DO NOT PUT THEM IN THE BOOK DROP.
