HPL's Annual Summer Reading Program Begins

Heritage Public Library is starting their Summer Reading Program June 1st! This is an all age inclusive program that will run until August 15th. Pick up a game sheet at either location during our curb-side pick-up hours and start reading! Return your game sheet at the end of the program for a chance to enter our grand prize drawings. Check out our schedule on Facebook or www.heritagepubliclibrary.org for fun activities all summer long!
