"The Bob's Burgers Movie" is an animated musical comedy-mystery-adventure based on the long-running, Emmy award-winning series. After a ruptured water main creates a sinkhole in front of Bob's Burgers and blocks the entrance, Bob and Linda Belcher struggle to keep the business afloat, and the kids try to

Although everyone knows the tale of Neverland and Wonderland, few have heard the backstory. Before Alice and Peter made their legendary journeys, they are just kids whose older brother has passed away. Tasked with the monumental burden of saving their own parents, they realize that they will have to draw upon all of their inner resources to make magic happen. Along the way, they'll make some interesting choices to move their adventures along.

Cinderella is a musically driven bold new take on the classic fairytale. Our ambitious heroine (Camila Cabello) has big dreams and with the help of her Fab Godmother, she perseveres to make

Journey into the unknown in Marvel Studios’ Doctor Strange in the Multiverse of Madness. When the MCU unlocks the Multiverse, Doctor Strange (Benedict Cumberbatch) must enlist help from old and new allies as he traverses mind-bending and dan-

With her career and reputation at stake, this world renowned author boards a cruise ship with her friends to reconnect and find some joy. But is friendship too far gone when trust has been broken for the sake of her books? With a young and eager literary agent in her ear, and her nephew on board to keep tabs, this author faces a daunting possibility: the most stress-

Loretta Sage’s novels are filled with ancient tombs and daring adventures, but that doesn’t mean she’s prepared for them in real life. When she is kidnapped by an eccentric billionaire to locate a legendary lost city, Loretta’s handsome cover model, Alan, sets off on a heroic but hapless rescue mission. Thrust into an epic thrill-ride through the jungle, the unlikely pair must work together to
